

# Boise State CCSP REU Site

By Jyh-haw Yeh

# Boise State CCSP Overview

- ▶ 9 week research experience in cloud computing security and privacy from 5/28/2025 - 7/25/2025.
- ▶ Receive \$6,300 stipend plus \$130/week allowance for meals.
- ▶ Housing is provided for non-local students (i.e., students from other universities).
- ▶ Travel funds up to \$700 for to/from the REU site for non-BSU students.
- ▶ Participate in SRC professional development workshops/seminars/meetings to develop research and communication skills. 9:00-10:30 every Wednesday.
- ▶ Participate and present a poster in the Idaho Conference of Undergraduate Research (<https://www.boisestate.edu/icur/>).

# Faculty & Graduate Student mentors

- ▶ Dr. Jyh-haw Yeh, CCP 247, CS Department
- ▶ Dr. Jerry Fails, CCP 363, CS Department
- ▶ Dr. Hao Chen, TBD, ECE Department
- ▶ MD. Mashrur Arifin, PhD in Computing Student
- ▶ Other CS/ECE Graduate Students

# CCSP REU Students/Faculty Assignment

- ▶ Dr. Hao Chen:
  - ▶ Shan Wan Peck
  - ▶ Jonathan Auyong
  - ▶ Liam Andrew Laidlaw.
- ▶ Dr. Jerry Fails:
  - ▶ Adam Taylor
  - ▶ Daniel Luna Allan
  - ▶ Lindy Chen
- ▶ Dr. Jyh-haw Yeh:
  - ▶ Brodie Matthew Abrew
  - ▶ Jeremiah Robinson
  - ▶ Jeremiah Malachi Denning
  - ▶ Devyn Elizabeth Hub

# Location and Transportation

- ▶ Downtown CS building: each student has an assigned desk on the 3<sup>rd</sup> floor. Students with Dr. Fails will have a desk in his lab on the 3<sup>rd</sup> floor.
- ▶ Transportation between the main campus and CS building:
  - ▶ Shuttle bus - Orange line
  - ▶ 20-25 minutes walk

# REU Site Schedule

- ▶ Daily Schedule:
  - ▶ 9am - 5pm
  - ▶ Lunch Break: 12pm - 1:00pm
- ▶ Site Schedule:
  - ▶ 5/28 - 7/25/2025: on-site and in-person
- ▶ Holiday: 6/19 and 7/04

# Meeting and Event Schedule

- ▶ Expect to meet with your advisor at least **twice a week**
- ▶ Expect to meet with graduate student mentors every week if any.
- ▶ Expect to meet with teammates daily if multiple students assigned to the same project.
- ▶ Expect to attend all SRC seminars/forums scheduled on every Wednesday (9:00-10:30am) between 6/04 - 7/09
- ▶ Expect to present a poster in ICUR on 7/16-17 at Boise State University

# Meeting and Event Schedule, cont.

- ▶ Entire CCSP group meeting on every Friday 3:30-4:30pm
  - ▶ Every Friday: present project progress, along with an summarized written report (itemized)
  - ▶ 2nd Friday (6/06): present research proposal (slides), along with a written proposal (introduction, background/related work, problem statement, proposed research methods, expected research outcomes/goals, research timelines, and references)
  - ▶ 8th Tuesday (7/15): present research outcome - ICUR poster
  - ▶ 9<sup>th</sup> Friday (7/25): final written report (abstract, introduction, background/related work, problem statement, research methods, research outcomes, future direction/work, conclusion, and references)
  - ▶ Upload all reports and proposals to the shared [google drive](#).

# After the Summer Program

- ▶ Keep connected with your research advisors for possible future research collaboration, e.g., refine/finish the research you have done during summer and then publish the research result.
- ▶ Encourage your peers in your institution to apply for our REU Site next year.

# Pre-program Participant Survey

- ▶ If you have not done so, please do it now. It takes 15-20 minutes.

- ▶ Click the link below to start your first survey:
